

## **INFORMATION ON THE ISLANDS OF THE BAHAMAS FOR THE CLC LAW CONFERENCE 2021**

### **HISTORICAL INFORMATION:**

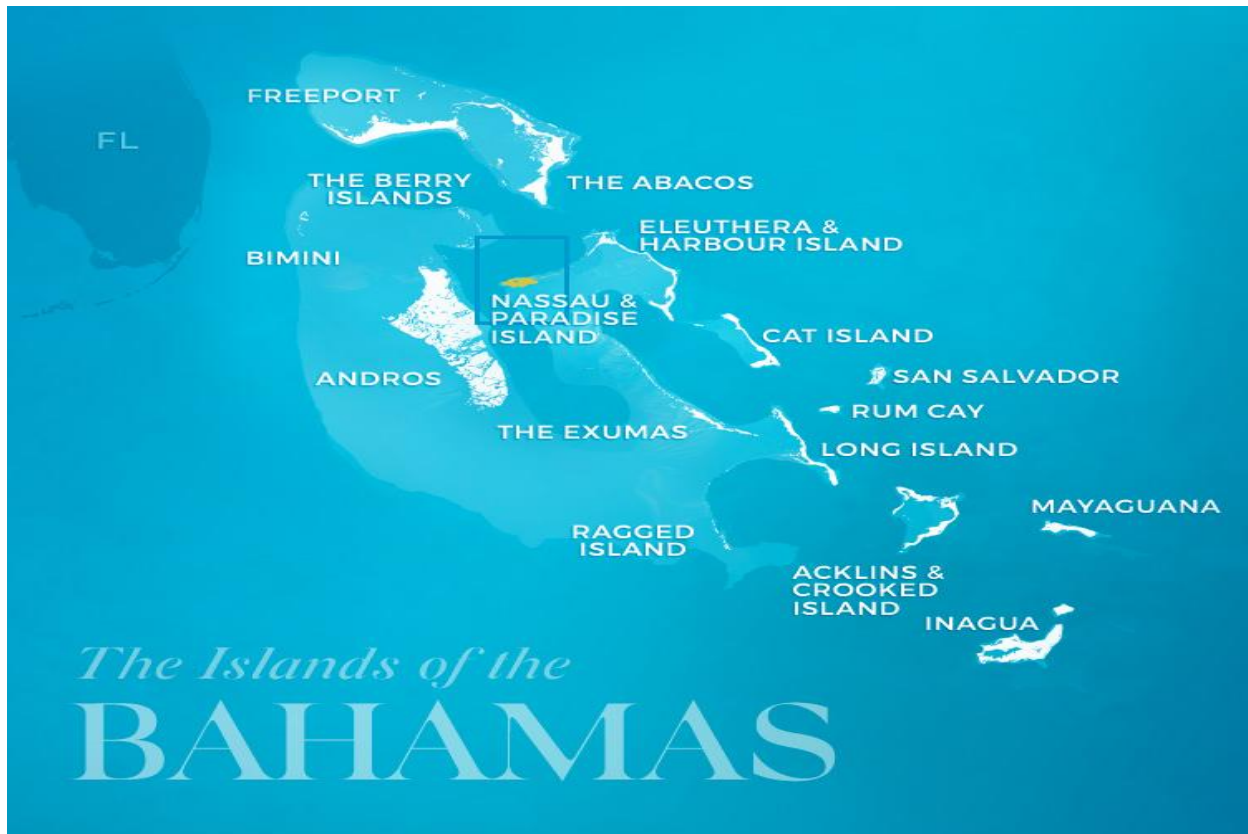

The Bahamas an archipelagic country with unique and striking characteristics, comprises of 700 islands, rocks and cays, 30 of which are inhabited. The name Bahamas is of Lucayan derivation, although some historians believe it is from Spanish 'bajamar,' meaning "shallow water."

The Bahamian climate which is one of the greatest attractions, is mild throughout the year, with temperatures varying from the low 70 degrees Fahrenheit during the winter to the low 80s during the summer. The Bahamian climate seldom drops below 60 degrees or reaches a high of 90 degrees or more.

The Bahamian people are humble and hospitable in nature. The majority of which are descendants from the African slaves who were transported from Africa by the Europeans. The Bahamas has a rich history and colorful culture unlike anywhere in the world. The Bahamian culture can be described as an amalgam of African, British and American influences. The African culture is vividly expressed through the celebration of Junkanoo, a festival that is held annually during the months of December and January.

We invite you to explore the islands of the Bahamas, as they all offer separate and unique products.

The Exumas are renowned for their sapphire-blue waters—waters so stunning, their brilliant colours are visible even from outer space. This chain of 365 islands is home to secluded footprint-free beaches, deserted cays, and ultra-exclusive resorts. Here, nature outnumbers man, coastlines remain flawless, and private islands play host to some of the world’s most famous stars—including a group of four-legged local celebrities.

### ATTRACTIONS AND THINGS TO DO:

Swimming with the pigs is one experience you simply cannot miss while you are here. Wondering how the pigs got to Pig Beach? We do not know for sure. Big Major Cay is un-inhabited, and the pigs are not native to the island. Some say they were left by a group of sailors, who planned to come back and cook them. Or that the pigs swam over from a shipwreck nearby. Wherever they came from, there are now about 20 pigs and piglets living the easy life, with daily visits from Bahamians and tourists. When you visit, be sure to get a selfie with the **#swimmingpigs**—they are even cuter in person.

Island hopping through the islands of Exuma is truly an extraordinary experience.

Among other popular and activities are to snorkel a plane wreck, charter a boat to explore un-inhabited cays, protected coves and secret sandbars. Visitors can also spot a native sloop, which is a Bahamian made sailboat with wooden hulls, canvas sails and tall wooden masts.

## GEOGRAPHICAL LAYOUT OF ANDROS ISLAND

Andros Island is divided into North, Central, South Andros and Mangrove Cay, is the largest island in The Bahamas. An island so vast and green, locals call it the “Big Yard.” Andros

remains virtually untouched. Vast and green, it holds countless adventures for lovers of the outdoors. World-class scuba diving, deep-sea and fly fishing, national forests and blue holes—and that is just the beginning.

## **ATTRACTIONS AND THINGS TO DO:**

Andros island is the ideal spot for investigating blue holes. The island has more than 180 blue holes, found inland and alongside the shores.

You can experience the thrill of scuba diving and snorkel around the Andros Barrier Reef, the third-largest fringing barrier reef in the world. It drops to about eight feet on the island side and approximately 6,000 feet in the Tongue of the Ocean.

You can also enjoy a day of Fly Fishing. Nobody knows the Andros flats like the local fishing guides do. Bahamians like Glaister and Mary have spent a lifetime mastering the art, getting to know the waters and the fish that swim them.

Visit the factory, where the Androsia handmade Batik are manufactured. Androsia Batik has been called the unofficial fabric of The Bahamas, and it has been handmade on Andros Island since the very beginning.

Exploring a deep-sea frontier is another adventure you can embark upon. On Andros Island, venturing out on your first dive is easier than you might imagine.
