**Conference Partnership
Opportunities & Booking Form**

The Commonwealth Law Conference (CLC) has a long and distinguished history, beginning in London in 1955.

The CLC is one of the most prestigious events on the global legal calendar, bringing together legal practitioners from all over the world to debate current issues in the profession, exchange views and experiences with colleagues and view the latest products and services available to legal professionals today.

Our CLC2021 programme promises to present topics which will interest lawyers, judiciary, academics, and law students.

For sponsors, this is a unique opportunity to connect with an international audience of senior lawyers and law firms who are at the forefront of their fields of expertise.

Attendee Profile and Conference Objectives

Building on the success and knowledge gained from previous CLC's, the 22nd Commonwealth Law Conference (CLC2021) will once again bring together lawyers from across the globe who share common interests and challenges.

In Nassau we will discuss questions which face the judiciary, lawyers, academics and students in the legal profession today. The unique blend of education and discussion offered by CLC2021 aims to benefit the profession by strengthening the links across the Commonwealth and the globe. The Commonwealth Law Conference objectives are to promote of the rule of law; encourage improved professional standards; create lasting bonds between all members of the profession through CLA membership and ensure that there is on-going dialogue on topical issues that impact on the people of the Commonwealth and beyond.

Partners will get the opportunity to network with industry colleagues and key influencers in the legal fraternity.

As a CLC partner, you will gain significant visibility and demonstrate your support for the Commonwealth Law Association in achieving their objectives. From private practice lawyers and in-house counsel, to government officials, academics and young lawyers, you will have the chance to engage face-to-face with peers through the welcome reception, exhibition, Conference communications and the gala dinner.

We have many great options available, but we can also customize a package for you based on your goals and budget for the event.

Please contact secretariat@commonwealthlawconference.com to discuss possibilities.
