

Notes from Daniel Hobson in absentia re: CLE 5 Sep 23, POM, PNG

- Very disappointed not to cancel attendance.
- 30% of PNG acts consolidated up to 2023 - remainder completed within 6-8 weeks.
- Formatting issues being addressed. This is due to vlex being a new technology compared to pngInLaw.
- vLex want to visit PNG and support wider PNG and South Pacific Legal Community.
- vLex have offered to support the LTI with free access for students and to support PacLII with materials.
- CLA & vLex Set have established the South Pacific Bar Association Group to support access to rule of law and legal education associations such as the CLA.
